No. 75

**MR. ATKINSON
SERIOUSLY ILL****At His Home Wrightstown, N. J.
—Friends Fear The Worst****EARLINGTON PEOPLE
GREATLY DEPRESSED**

Advises received from Wrightstown, N. J., Mr. John B. Atkinson's summer home where he went from this place the latter part of August are that he is in a very serious condition. Mr. Atkinson has been in poor health for nearly two years and during that time has made some surprising rallies from serious attacks more than once.

Mr. Atkinson is probably the best known man in this section of Kentucky in business circles and is widely known throughout the United States.

The people of Earlington are greatly depressed over the news of his illness and hope for better reports today or tomorrow. Mr. Geo. C. Atkinson left for Wrightstown Saturday to be with his brother and Jas. R. Rash, Paul M. Moore and son Paul, Jr., left Monday afternoon for the same city. Up to the time of going to press no message has been received regarding Mr. Atkinson's condition.

Hives, eczema, itch or salt rheum sets you crazy. Can't bear the touch of your clothing. Doan's Ointment cures the most obstinate cases. Why suffer? All druggists sell it.

Automobile Contest Now On

The contest for the \$1600.00 five passenger Howard touring car is now on full blast and several thousand votes have been given out by the members of the Booster Club. The machine is here and is a handsome one.

These are about 200 entries and the number and standing will be published in each Friday's paper. In order to do this the votes must be turned in to Barnes, Coward & Co., on Wednesday of each week so the count can be made up and turned over to The Bee for publication on Friday. Remember this machine is worth working for and working hard, the party holding the largest number of votes on May 15th 1912 gets the machine and the Semi-weekly Bee gives 8000 votes for each dollar paid on subscription, and 100 votes for each dollar paid on job work or advertising, a hint to the wise is sufficient.

For bowel complaints in children always give Chamberlain's Colic, Cholera and Diarrhoea Remedy and Castor oil. It is certain to effect a cure and when reduced with water and sweetened is pleasant to take. No physician can prescribe a better remedy. For sale by all Dealers.

Society Happenings

Mrs. A. O. Sisk and Mrs. J. H. Fish entertained at the home of the latter Saturday evening at a silver tea. A delicious ice course was served on the spacious veranda to guests who numbered twenty. A neat sum was raised for the benefit of the new building of the M. E. Church south.

Hardy Wyatt will leave for Denver, Col., tonight. He will be gone until the first of the month.

Attacks School Principal

A severe attack on school principal, Chas. B. Allan, of Sylvan, Ga., is thus told by him. "For more than three years," he writes, "I suffered indescribable torture from rheumatism, liver and stomach trouble and diseased kidneys. All remedies failed till I used Electric Bitters, but four bottles of this wonderful remedy cured me completely." Such results are common. Thousands bless them for curing stomach trouble, female complaints, kidney disorders, biliousness, and for new health and vigor. Try them. Only 50c at all Druggists.

Earlington Gun Club to Meet

The Earlington Gun Club will meet at the Rifle Range Thursday afternoon for a shoot. All members are requested to be on hand.

Leslie K. Hickman, Arch Street, Madisonville, Ky., says: "I do not hesitate to recommend Doan's Kidney Pills as a remedy that lives up to the claims made for it. I tested their merit about three months ago and the results could not have been more satisfactory. I had a pain in the small of my back directly over my kidneys, which caused me considerable annoyance, and stooping or lifting brought on sharp twinges. At length I read about Doan's Kidney Pills and as they were recommended for such troubles, I procured a supply. I noticed a decided improvement after using the contents of the first box and continued taking the remedy until I was completely cured."

For sale by all dealers. Price 50 cents. Foster-McBarn Co., Buffalo, New York, sole agents for the United States.
